Footnotes”

Fading lights dims the sight. And
a star gems the sky,
gleaming bright.

From afar drawing nigh, falls the night.
Day is done, gone the sun, from the
lake, from the hills, from the sky; All is
well, safely rest, God is nigh.

Then good night, peaceful night, Till
the light of the dawn shineth
bright; God is near, do not fear,
Friend, good night.

**Our God is never weary, He's
always standing near,
Empowering us to conquer
Our problems and our fear.**

**In Him just keep on trusting,
On Him our faith must rest.
When we wait upon the Lord,
our strength is at its best.
He gives us power in weakness,
He helps us run the race,
Anything is possible
When covered by His grace.
We'll run and not be weary
He shall our strength renew,
replenished by His Spirit,
We'll soar as eagle do.**
